COMMISSION ON THE CITY PLAN - EXECUTIVE SESSION IMMEDIATELY FOLLOWING PUBLIC HEARING OF JANUARY 24, 1957:

PRESENT: Chairman Traverse
Arthur Dillon
James Higgins
Seb. J. Passanesi
Mayor Harry T. Clew

After discussion of the Worthington Petition, heard at public hearing November 1, 1956, on motion by Mr. Higgins, seconded by Mr. Dillon, the Commission unanimously voted to grant a change of zone from Restricted Residential to Commercial. The change, however, would involve 800 x 800.

The petition of Maromas Realty, heard at public hearing today, was discussed. On motion of Mr. Passanesi, seconded by Mr. Dillon, the petition to include this Maromas Realty property in a Commercial Zone was granted. The Commission felt that its proximity to Canel and an existing commercial area would detract from any residential use. There were no objectors present; not even the nearest abuttor.

The Executive Session was adjourned at 9:00 P.M.
