RE: Section 106 Review

Dear Mr Poirier,

Enclosed is information on 25 Ferry Street in Middletown. The City of Middletown is looking to use federal Community Development Block Grant (CDBG) funds for acquisition of the site. The project intends to use the site for affordable homeownership which would include demolition and new construction. We have included information on the existing site and information on what is proposed to be built.

If you have any question, please contact me at 860-344-3425.

Sincerely,
