1998 Entitlement Program

27 applications have been received for the public hearing this year. In order for you to get out in a timely fashion, we have scheduled presentations at ten minute intervals. The applicant should spend no more than five minutes on his presentation. That will leave five minutes for a question and answer period.

As many of you will not be able to have dinner, a half-hour break has been scheduled at 6:00 p.m. We will have food available for you at that time in the Coffee Room on the second floor.

Other Agenda Items

Due to the amount of applications for the public hearing, the CAC could table these items to the May 20th regular meeting.

The Committee may wish to schedule a special meeting in order to discuss the proposals and make a recommendation to the Common Council.
