RE: Transferred State Land Workshop

Dear Committee Member,

In 2005, the Connecticut General Assembly approved the transfer of 256 acres of land associated with the Connecticut Valley Hospital to the City of Middletown as recreational open space.

On Tuesday, November 28, 2006 at 6pm in the Council Chambers, there will be a workshop to provide information and receive feedback that will be used in developing a plan for these parcels.

Enclosed is a summary of the properties and land use opportunities or restrictions.

Please call Michiel Wackers, 860-344-3425, if you have any questions,
