

DEPARTMENT OF PLANNING, CONSERVATION, AND DEVELOPMENT  
DESIGN REVIEW AND PRESERVATION BOARD

---

**TO:** D.R.P.B. Members  
**FROM:** Munro W. Johnson, Community Development Specialist  
**RE:** Dollar Store Sign  
**DATE:** 18 December 2000

The Design Review and Preservation Board has been asked to review The Dollar Store's sign. Apparently, the sign broke recently, and the store owner wants to replace it with another box-lit sign that, till now, has decorated the rear entrance. Wayne Bell and I have told him he must go through DRPB, and since our next meeting isn't for a long time, I am curious to know if members could meet the Wednesday after Christmas to review this?

Please contact me with your availability. This may be an excellent opportunity to address a longstanding, troublesome aesthetic element of Main Street.
