Pursuant to the City of Middletown's *Citizens' Participation Plan* and the regulations of the U.S. Department of Housing and Urban Development, the Citizens' Advisory Committee will hold a public hearing to provide citizens and citizen organizations with an opportunity to comment on the use of an estimated \$399,520 in anticipated Community Development Block Grant (CDBG) entitlement program for the 2012 grant year.

The City of Middletown will accept applications for any project which demonstrates a public benefit, fulfills an objective of the *Consolidated Plan*, or is otherwise consistent with CDBG program guidelines.

The hearing will be held on Wednesday, March 21st, 2012 at 7:00 p.m. in the Common Council Chambers of the Municipal Building, 245 deKoven Drive. Each proposal will be granted a five-minute time slot to present their proposal. Therefore, persons and organizations interested in submitting funding requests and/or commenting on the use of funds should obtain applications which are available in the Community Development Division of the Department of Planning, Conservation and Development, Room 202 of the Municipal Building, or download them from the department's website, at <http://www.middletownplanning.com>.

On Thursday, January 12th, 2012 at 10:00 a.m. in Room 208, and Monday, January 23rd, 2012 at 10:00 a.m. in Room 208, there will be a voluntary CDBG application seminar for grantees to learn about the application process and ask questions.

Completed funding requests should be returned to the Community Development Division of the Department of Planning, Conservation and Development no later than 3:00 p.m. on Tuesday, February 14th, 2012.

Instructions and Advice

1. Please make sure you have received a full and up-to-date application form. Only current and complete application forms will be considered for funding. The application is titled "2012(PY38) Entitlement Sub-grantee Application Form". **Note:** In addition to the application, you must also submit your signed Statement of Agreement (on page 8 of this packet).
2. If you are not familiar with Middletown's CDBG program, or the CDBG program in general, consider taking the time to familiarize yourself with the following two key documents, available at the DPCD office, the library, or online at www.middletownplanning.com.
 - *City of Middletown Consolidated Plan for Housing and Community Development September 1, 2010 to August 31, 2015*
 - *Community Development Block Grant Program: Guide to National Objectives and Eligible Activities for Entitlement Communities*

CDBG funds are federal money, subject to federal regulations. If you receive CDBG funds, you will have to abide by an elaborate framework of federal laws and regulation, the scope of which ranges from issues of labor to environmental protection. The community development staff for the city is on hand to answer questions and help you navigate through these laws, but the ultimate responsibility lies with you the applicant.

3. Glossary

Understanding the following definitions will make the application process easier for you.

Low and moderate income. Low- and moderate-income persons are defined as persons residing in households with total gross household income at or below the HUD-established moderate income threshold for a household of that size. *If you apply for a grant through the CDBG program that is *not* for "area benefit," you will have to document that the persons benefited by your project are indeed "low and moderate income." The following table is of current income thresholds applicable to the City of Middletown.

Hartford MSA	Family size	1	2	3	4	5	6	7	8
Median Family	Very Low-Income	\$ 16,850	\$ 19,250	\$ 21,650	\$ 24,050	\$ 25,950	\$ 27,900	\$ 29,800	\$ 31,750
Income:	Low-Income	\$ 28,050	\$ 32,100	\$ 36,100	\$ 40,100	\$ 43,300	\$ 46,500	\$ 49,700	\$ 52,950
\$ 80,200	Low/Mod-Income	\$ 41,700	\$ 47,700	\$ 53,650	\$ 59,600	\$ 64,350	\$ 69,150	\$ 73,900	\$ 78,650

Income. Income is defined as any form of financial support received by a person or household including wages, salaries, tips, and commissions; self-employment including proprietorships and partnerships; interest, dividends, net rental income or income from estates and trusts; Social Security, pension, or other forms of public assistance; veterans payments; unemployment compensation; and alimony or child support.

CAC. Citizens' Advisory Committee. This is the city committee, appointed by the mayor, who reviews CDBG applications and makes final funding recommendations to the Common Council and HUD.

A minimum of 51% of the units within a CDBG-funded rehabilitation project must be rented or sold to low and moderate income persons at a rent (inclusive of utilities) or calculated mortgage payment that does not exceed 30% of the adjusted gross household income.

Public service. Up to 15% of the CDBG budget may go to Public Service projects. Public service activities include, but are not limited to, those concerned with employment, crime prevention, education, child care, health, and recreational needs. To be eligible for CDBG assistance, a public service must be a new service or a quantifiable increase in the level of an existing service. Income payments are ineligible.

Public facility. A public facility is a structure that is owned or operated by a public or not-for-profit entity and used primarily as a site for the delivery of services to low- and moderate-income persons or the disabled.

4. Your application will be reviewed by staff and members of the Citizens' Advisory Committee and assessed on the merits of criteria described in the "Assessment of Proposals," included on the following pages.
Many of the questions in the application, however, are there to translate the projects' content into federal formulas (not to disqualify or disadvantage particular applications), so please answer objectively and candidly.
