	<b>Middletown city, Connecticut</b>
Total:	19,863
Family households:	10,956
Husband-wife family	7,588
Other family:	3,368
Male householder, no wife present	785
Female householder, no husband present	2,583
Nonfamily households:	8,907
Householder living alone	7,100
Householder not living alone	1,807

NOTE: A household that has at least one member of the household related to the householder by birth, marriage, or adoption is a "Family household." Same-sex couple households are included in the family households category if there is at least one additional person related to the householder by birth or adoption. Same-sex couple households with no relatives of the householder present are tabulated in nonfamily households. Responses of "same-sex spouse" were edited during processing to "unmarried partner." "Nonfamily households" consist of people living alone and households which do not have any members related to the householder.
