PERMIT NO. \_\_\_\_\_

DATE GRANTED: \_\_\_\_\_

This authorization refers to your application to conduct a regulated activity within inland wetlands and/or watercourses at the following location: \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

The Inland Wetlands and Watercourses Agency has considered your application with due regard for the criteria enumerated in Section 22a-41 of the General Statutes and in Section 8 of the Agency's Regulations and has found that the proposed work, as specified and conditioned below, is in conformance with the purposes and provisions of said sections.

The authorized activity consists of: \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

with the following conditions: \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

This Permit is issued subject to the following conditions and/or modifications:

1. The permittee shall notify the Wetlands Officer immediately upon the commencement of work and upon its completion.
2. If the authorized activity is not completed on or before \_\_\_\_\_ said activity shall cease and, if not previously revoked or specifically extended, this Permit shall be null and void.
3. All work and all regulated activities conducted pursuant to this authorization shall be consistent with the terms and conditions of this Permit. Any structures, excavation, fill, obstructions, encroachments or

regulated activities not specifically identified and authorized herein shall constitute a violation of this Permit and may result in its modification, suspension, or revocation. Upon initiation of the activities authorized herein, the permittee thereby accepts and agrees to comply with the terms and conditions of this Permit.

4. This authorization is not transferable without the written consent of the Secretary of the Inland Wetlands and Watercourses Agency.
5. In evaluating this application, the Agency has relied on information provided by the applicant and, if such information subsequently proves to be false, deceptive, incomplete and/or inaccurate, this Permit may be modified, suspended or revoked.
6. The permittee shall employ best management practices, consistent with the terms and conditions of this Permit, to control storm water discharges and to prevent erosion and sedimentation and to otherwise prevent pollution of wetlands or watercourses. The permittee shall immediately inform the Wetlands Officer of any problems involving wetlands or watercourses which have developed in the course of, or which are caused by, the authorized work.
7. No equipment or material including, without limitation, fill construction materials, or debris shall be deposited, placed, or stored in any wetland or watercourse on or off site unless specifically authorized by this Permit.
8. This Permit is subject to and does not derogate any present or future property rights or other rights or powers of the State of Connecticut, and conveys no property rights in real estate or material nor any exclusive privileges, and is further subject to any and all public and private rights and to any federal, state, or local laws or regulations pertinent to the property or activity affected hereby.
