

## LEGAL NOTICE

Notice of decision of the Inland Wetlands and Watercourses Agency of the City of Middletown, Connecticut, at a meeting held on Wednesday, April 7, 2004

1. Approved with stipulations an application for construction of a 28' x 20' addition to single-family dwelling located at 49 Miner street with wetlands on property. Applicant/agent Kim & William Fitzner (04/02)
2. Approved with stipulations an application to improve stream flow through the traffic bridge located at the Aetna property on Industrial Park Road by removing debris, deposited soil and brush in a small area at east side of stream and to repair existing scour areas and prevent future scour at the west abutment by removing soft material in front of footings and placing riprap along abutment wall and footing. Applicant/agent Paul Close, Project Manager for Aetna (04-03)
3. Approved with stipulations an application to repair scouring of soil under the abutment cap of the pedestrian bridge located at Aetna on Industrial Park Road that threatens the integrity of the approach pedestrian walkway. Applicant/agent Paul Close, Project Manager for Aetna (04-04)
