

LEGAL NOTICE

Notice of decision of the Inland Wetlands and Watercourses Agency of the City of Middletown, Connecticut, at its regular meeting held on Wednesday, September 6, 2006.

1. Approved an application for excavation within 50 ft. upland regulated area to create flood mitigation bypass swale and excavation in wetland area for storage to be located at Lee Street, Paddock Road and Randolph Road. This application is in addition to an already approved wetland application for a ten (10) lot subdivision. (05-13) Applicant/agent Helen Ferrari (Estate of Eloise Greco) (06-12)
2. It was determined that the revision of a previously approved application for the relocation of a single family dwelling on lot #2 at Mount and Chamberlain Hill Roads, is approved as an amendment to the existing permit. Applicant/agent Doug Mackro (06-24)
3. It was determined that a proposed enlargement for a man-made pool on the east edge of 359 Chamberlain Road to hold rainwater runoff from a proposed greenhouse roof does not require a permit. Applicant/agent Joshua Eddinger
4. It was determined that the proposed concrete pad and containment wall for storage tanks, access drive and related grading located at 79 Bradley Street does not require a permit. Applicant/agent Liquid Plastics, Inc. (06-23)
