The special meeting was called to order by H. Novicki, Chairman, at 6:00 p.m. in Room 208 of the Municipal Building.

W. Kuehn distributed a staff report of the inspections on the River's Edge project. Staff described the variation in the site plan whereby a large Maple tree was saved at a net loss of 3 parking spaces from the original site plan approved by the Planning & Zoning Commission.

After further discussion and upon a motion by S. Gionfriddo, seconded by D. Shapiro, the Agency unanimously voted to authorize the Chairman to issue a Certificate of Completion for the River's Edge project on Parcel D-1-B in the Metro South Urban Renewal Area.

There being no further business, the meeting was adjourned at 6:05 p.m.
