S. Dzialo  
J. Bianco  
J. Alexander  
C. Stannard, Courant  
E. Weiss, Press  
C. Rodenhizer  
W. Kuehn  
2 members of the public

The meeting was called to order by G. Daley, Chair at 7:05 p.m. of Room 208 of the Municipal Building.

Staff explained the design differences between option a and option b as prepared by the Public Works Department Engineering Division. R. Santangelo asked staff to check with the ADA coordinator for appropriate access into the convent building.

G. Daley said approval was with the understanding that there will be an ongoing effort to find additional parking. R. Santangelo felt additional parking could be found further down Broad Street.

S. Dzialo asked if an additional curb cut in front of his property could be part of the project. G. Daley suggested he send a letter asking for 1) City support to the State Traffic Commission and 2) funding for improvements or at least a contribution to the improvements in front of his property.

J. Vinci said he would abstain from any vote. G. Daley reemphasized a need for an overall plan to improve downtown parking.

Upon a motion by R. Santangelo, seconded by G. Daley, the Committee voted to recommend Option A to the Common Council as embodied the draft resolution. The vote was as follows: Aye - R. Santangelo, G. Daley. Nay - None. Abstain - J. Vinci.

There being no further business the meeting was adjourned at 7:20 p.m.
