The Applications Review Committee met at 4:30 p.m. in Room B-18 of the Municipal Building.

N. Stamler, Dripps Road: This a one family home. The work that needs to be done is installation of a central heating system, replacing rotted floor and framing, lolly columns in basement and replacement of water pipes.

After a lengthy discussion on the financial capability of the applicant, the Committee approved a \$15,000 loan at 1% interest for five (5) years.

Respectfully submitted,

Barbara D. Santangelo
