M. KNIGHT

1. CALL TO ORDER

Len Tundermann Committee Chairman opened the meeting at 5:10 p.m. in the Council Chambers.

2. Looked at database list of properties to be ranked. It was suggested that the properties could be pre-screened for location within an Open Space corridor. A discussion was held on how the criteria were used and how to get through the long list of properties to be reviewed.

They discussed whether to advertise for more properties or to work with existing list of properties. It was decided not to advertise at this point.

The Committee will meet again on December 5, 1996 at 5:00 p.m.

Linda Bowers will sketch locations on the POD and bring 100' scale topography maps for the next meeting on December 5, 1996.

3. They decided to do a test site walk at Guida Conservation Area. It was suggested that it be held on December 7, 1996 at 10:00 A.M. and to ask Ron Klattenberg and Alan Siniscalchi to lead the tour.

4. There was no need to discuss specific properties so the members did not enter into executive session.

5. The members agreed to adjourn the meeting at 6:05 P.M.
